

St. Theresa Rising 4th Grade Summer Reading

The Summer Reading Program is designed to encourage students to become lifelong readers. Developing a routine reading time is a helpful way to accomplish the summer reading without it becoming a chore.

The Students are required to choose at least 2 novels from this approved list to read over the summer. A "Fiction Book Report" form must be completed for each novel read. The form is attached below. When completing the form, it may be written in cursive or manuscript and answers must be written in complete sentences. If your child has already read all of the books from the list below, please choose another book from the authors listed below.

Enjoy summer reading!
